

Full Time Position / Fellowship

Massachusetts General Hospital Department of Oral and Maxillofacial Surgery

Massachusetts General Hospital, (Partners Education Committee approved), announces the offering of a 2-year Fellowship in Endoscopic Oral and Maxillofacial Surgery, under the direction of Dr. Joseph McCain, Program Director.

The goal of this unique educational opportunity is to train surgeons in the skills of endoscopic surgery of the maxillofacial region including temporomandibular joint (arthroscopy), salivary gland sialoendoscopy, trauma repair and reconstruction.

During the 2-year fellowship period, scholarly activity and education on translational research, clinical trials, prospective and retrospective studies will be available. Great opportunity for clinical outcomes studies and translational bench work will be provided.

The Fellow will practice as an Attending and gain experience in an academic “protected” environment.

Interested candidates should submit a letter of interest, curriculum vitae and two letters of recommendation to:
