

Current Approaches to the Management of Facial-Jaw Asymmetry and TMJ Dysfunction

A joint meeting presented by the ASTMJS/ESTMJS

April 3–4, 2020 • Grand Hyatt Hotel, Washington, D.C. USA
[www.astmjs.org/2020 meeting](http://www.astmjs.org/2020%20meeting)

Call for Abstract

SUBMISSION INVITATION

The organizing committee for this meeting would like to invite participants to submit abstracts for poster presentations.

Abstract submission deadline: **January 28, 2020**

For submission details please visit the meeting website:
www.astmjs.org and click on the 2020 Annual Meeting

General Guidelines for Abstracts

1. Posters must contain **original research** related to the temporomandibular joint and must not have been published or presented at any prior meeting.
2. Posters must be **submitted in English**.
3. Presenting authors of posters must be **registered participants**.
4. Residents and/or trainees must have **application approval** by their Program Director.
5. Abstracts **must be received by the announced deadline**. Abstracts received after the deadline will not be considered.
6. Authors will be **notified by e-mail** of acceptance or rejection by **February 17, 2020**.
7. Abstracts stating “data will be discussed in the presentation” will **NOT** be accepted.
8. Abstracts accepted **must be presented in the following poster dimensions**:

Dimensions of the poster board are 4 feet high by 8 feet wide. The poster **must be displayed HORIZONTALLY**. These are the **maximum** dimensions to be used when creating your posters, but posters may be smaller.
